西财在全国第六届大学生艺术展演活动中创佳绩

Great Achievements for SWUFE in the 6th National College Students’ Art Performance

5 月 12 日 May 12

5 月 6 日至 12 日，全国第六届大学生艺术展演活动在成都城市音乐厅盛大举行。我校艺术团交响乐团的乐器合奏《热巴舞曲》、舞蹈团舞蹈节目《永远的课堂》分别以所在组别四川省一等奖的优异成绩入围全国展演，其中舞蹈节目《永远的课堂》应邀参加开幕式演出。12 日传来喜讯，2 个展演节目双双获全国金奖，学校获优秀组织奖，《永远的课堂》获优秀创作奖共四项大奖，创学校有史以来最好成绩。本次大艺节再一次集中展示了学校聚焦美育工作、打造西财美育文化取得的良好育人成效和丰硕成果，传递了西财青年的文化自信和理想追求。

本次展演是我校艺术团交响乐团和舞蹈团第一次走向全国的舞台，也是我校首次有器乐类、舞蹈类节目晋级全国并获得大奖。舞蹈节目《永远的课堂》通过取材波澜壮阔的校史创作，展示了光华学子和教师在炮火纷飞中依旧坚守“课堂”的动人故事。从黄浦

江边到浣花溪畔，我校的历史是抗战时期中国高等教育西迁的一个缩影。舞台上同学们挥洒着汗水，用身体的语言深情讲述这些过往，让观众回到了那个动荡年代，再一次感受到先辈们爱国向上、昂扬奋斗的优良精神传统。

在我校交响乐团成立十周年之际，一群平均年龄 20 岁左右的业余器乐爱好者演奏出了壮丽宏大的《热巴舞曲》，生动活泼地传递了向真、向善、向美的精神力量，展现出我校学子良好的艺术修养和艺术表现力。《热巴舞曲》吸收了西藏“热巴”舞中“踢踏舞”和“圆圈舞”的要素，其抒情、奔放的旋律与插入的舞蹈节奏形成了独特呼应。在璀璨耀眼的舞台聚光灯下，他们用流动的音符和激昂的旋律，展现了独特的民族风情。

我校取得 4 项全国大奖的历史佳绩，是学校党委有力领导和参演师生辛勤付出的结果。自接到活动相关通知后，学校领导高度重视，及时安排部署工作，成立工作组，进行全过程、全方位指导。为备战本届大艺展，学校多次召开大艺展推进会、专家座谈会、学生座谈会，力争出精品、出佳作，立足优秀传统文化和学校美育资源，编创了一批格调高雅、立意高远的艺术精品，真正提升了大学生的审美与人文素养。

参演前夕，党委书记赵德武亲切慰问展演师生，并殷切鼓励参赛师生赛出风格、赛出水平，展示出西财学子较好的艺术水平和综合素质。展演期间，学校党委副书记曾道荣、副校长尹庆双前往活动现场看望师生，为师生助阵加油，与参演师生交流心得、畅谈收获。

全国第六届大学生艺术展演活动由教育部、四川省人民政府共同主办，是目前国内规格最高、规模最大、影响最广的大学生艺术盛会，每三年举办一次。本届大学生艺术展演正值中国共产党成立 100 周年，全国 198 所高校 264 支代表队的 6800 余名参演师生齐聚成都，用多种多样的形式书写着丰富多彩的青春，把最新、最具特色的全国美育改革发展成果集中展现在公众面前，颂歌献给党、奋进新时代，生动展现了新一代青年大学生昂扬向上的精神风貌。活动为期 8 天，集中展演 221 个艺术节目，43 个大学生艺术实践工作坊，96 篇高校美育改革创新优秀案例，充分展示了在国家美育工作的开展下，全国各高校艺术氛围的蓬勃发展。

近年来，我校构建起了“引、演、节、剧、赛”五位一体的文化美育矩阵，将“四史”学习和文化育人深度融合，引入《英雄》等高雅艺术精品进校园，开展各类文艺汇演，连续举办 32 届文化艺术节，打造校史剧《光华》和“舞动西财”大赛等品牌美育项目。我校将继续深入贯彻落实习近平总书记在清华大学考察时的重要讲话精神，以立德树人为根本，以社会主义核心价值观为引领，以提高学生审美和人文素养为目标，弘扬中华美育精神，以美育人、以美化人、以美培元，把美育纳入学校人才培养全过程。

From May 6 to May 12, the 6th National College Students’ Art Performance was held in the City Concert Hall in Chengdu. The dance music from the symphony orchestra of SWUFE’s art troupe Reba and the dance program of the dance troupe Classroom Forever won First Prize of Sichuan Province of the respective group and both were shortlisted for national performance. The dance program Classroom Forever was performed on invitation at the opening ceremony. Good news came on May 12 that both of the programs were awarded the National Gold Award and SWUFE was awarded Excellent Organization Award. Classroom Forever was awarded for awards including Excellent Creation Award, which was unprecedented in SWUFE’s history. The art festival once again showed the good educational performance and fruitful achievements of Southwest University of Finance and Economics in focusing on aesthetic education and building its aesthetic education culture and it also conveyed the cultural confidence and ideal pursuit of the youth in Southwestern University of Finance and Economics.

It was the first time for the symphony orchestra and the dance troupe of SWUFE’s art troupe to perform on a national stage and also the first time for the instrumental and dance programs of our university to enter the national stage and be awarded. The dance program Classroom Forever, which was created based on the magnificent history of SWUFE, shows the moving story that Guanghua students and teachers still stuck to the “classroom” in the gunfire during the war. From Huangpu River to Huanhua River, the history of our university is a miniature of the westward movement of Chinese higher education during the War of Resistance against Japanese Aggression. On the stage, the students presented the stories with strong body language and brought the audience to the turbulent era and made them feel the fine tradition of the forefathers’ patriotism and entrepreneurship.

On the 10th anniversary of the founding of the symphony orchestra of SWUFE, a group of amateur instrumental music lovers with an average age of about 20 years played the magnificent and grand dance music “Reba”. They vividly transmitted the power of pursuing truth, goodness and beauty, which showed the good artistic accomplishment and artistic expression of the SWUFE students. Reba has absorbed the elements of the “tap dance” and “circle dance” of the Tibetan “Reba” Dance. Its unrestrained melody forms a unique echo with the inserted dance rhythm. They showed their unique folk culture with flowing notes and passionate melody under the bright and dazzling spotlight.

Our university has won four national awards, which are the results of the strong leadership of the Party committee and the hard work of the teachers and students involved in the performance. After receiving the notice of the event, SWUFE leaders attached great importance to it and deployed work in time. A task force was set up to provide all-around guidance through the whole process. During the preparation for the National College Students’ Art Performance, SWUFE held meetings, expert seminars and student seminars in order to produce fine works. Based on the excellent traditional culture and the aesthetic education resources of SWUFE, a number of fine art works with elegant styles were created, which have truly improved college students’ aesthetic and humanistic proficiency.

Before the performance, Zhao Dewu, Party Secretary of SWUFE, conveyed sincere greetings to the student performers and encouraged them to give full play and show the artistic level and all-around quality

of SWUFE students. During the performance, Zeng Daorong, deputy-secretary, and Yin Qingshuang, vice-president, went to meet the teachers and students on site to cheer them on. They had an in-depth exchange of ideas with the teachers and students regarding their art performance.

The 6th National College Students' Art Performance was sponsored by Ministry of Education and the People's Government of Sichuan Province. It is the most influential college students' art event with the highest standard and the largest scale in China, which is held every three years. This year marks the 100th anniversary of the founding of the Communist Party of China. More than 6,800 teachers and students of 264 teams from 198 universities in China gathered in Chengdu for the performance. They showed their colorful youth in a variety of forms and put the latest and most distinctive achievements of the national aesthetic education reform and development in front of the public. They praised the Party and showed the spirit of striving in the new era in their performances. The event lasted for 8 days, during which 221 art programs were performed, 43 art practice workshops for college students were held and 96 excellent cases of aesthetic education reform and innovation in colleges and universities were displayed. They fully demonstrated the vigorous development of the artistic vibes in colleges and universities in China under the development of national aesthetic education.

In recent years, our university has constructed the matrix structure of cultural and aesthetic education including introduction, performance, festival, drama and competition. SWUFE deeply integrates learning the four famous history books with cultural education. It has introduced some elegant works of art like Hero. Our university has carried out all kinds of artistic performances, held 32 consecutive cultural and art festivals, and created branded aesthetic education projects such as history drama "Guanghua" and competitions like "Dancing in SWUFE". Adhering to the core values of Chinese socialism, SWUFE will continue to carry out the spirit of General Secretary Xi Jinping's important speech at Tsinghua University with the moral education as the foundation to improve students' aesthetic and humanistic quality. The university will carry forward the spirit of Chinese aesthetic education and bring aesthetic education into the whole process of university talent nurturing to cultivate students with all-round development in moral, intellectual, physical, aesthetics and labor education.

软科在 2003 年首次发布的“世界大学学术排名（Academic Ranking of World Universities，简称 ARWU）”是全球最具影响力和权威性的大学排名之一。ARWU 多次被剑桥大学、斯坦福大学等世界顶尖名校官方报道，曼彻斯特大学、西澳大学等世界百强名校也将提升 ARWU 排名定为学校战略规划的明确目标。软科于 2016 年首次发布的“世界一流学科排名”使用一系列国际可比的客观学术指标对全球大学在相关学科的表现进行测量，排名指标包括学科国际权威奖项、顶尖科研成果、高水平科研产出、科研质量、国际合作等。

The Times Higher Education World University Rankings are the only global performance tables that judge research-intensive universities across all their core missions: teaching, research, knowledge transfer and international outlook. The Asia University Rankings use the same 13 carefully calibrated performance indicators to provide the most comprehensive and balanced comparisons, trusted by students, academics, university leaders, industry and governments. However, the weightings are specially recalibrated to reflect the priorities of Asian institutions.

The Times Higher Education Asia University Rankings 2021 use the same 13 performance indicators as the THE World University Rankings, but they are recalibrated to reflect the attributes of Asia’s institutions.

The performance indicators are grouped into five areas: teaching (the learning environment); research (volume, income and reputation); citations (research influence); international outlook (staff, students and research); and industry income (knowledge transfer).

在保留历届国际文化节精彩纷呈的舞台表演和琳琅满目的全球美食基础上，本届国际文化节创新活动载体，以中外学生篮球、羽毛球、攀岩等竞技比赛和运动项目极大地丰富了活动形式、提高了互动性和参与度。活动现场洋溢着节日气氛，欢笑和喝彩声此起彼伏。

作为我校国际化工作的一道靓丽风景线，自 2015 年以来，国际文化节凝聚中外学子、促进文化交流，得到了校内各部门、各学院中心和广大师生的积极响应与广泛参与。在我校“十四五”开局之年，第六届国际文化节的成功举办是多元文化的集中展示，也是深化国际化发展的进一步探索。国际文化节已成为贯彻落实我校“深度开放”核心战略，厚植西财情怀、促进文化交流互鉴的重点品牌项目。

SWUFE Alumni

Marko Rukavina – Secretary General, SWUFE Alumni Association in Germany

What brought me to SWUFE?

I became interested in BRIC economies back in 2008 (especially China) so I decided to do my Master Degree in Chinese-European Economics and Business Studies (CEEBS) which was designed as a 2 year program based at HWR (Berlin) and SWUFE (Chengdu).

Besides improving my knowledge in economics, I think the most valuable thing I gained from SWUFE were the people and friendships that last until today. After graduating in 2013. I was the only student from my CEEBS intake that decided to stay longer in Chengdu which gave me opportunity to meet and hang out with the next intake as well as unique experience of living in the city which was going through an impressive rapid transformation and development.

What have I been doing recently?

Since graduating I worked in few different companies, mostly technology startups, and moved quite a bit over the years from Germany, Croatia, India, Malta and finally decided to settle down here in London, UK where I have been for the last two and half years. At the moment I am a Director at a technology media platform EM360 and have also just now in June successfully finished Oxford Leading Strategic Projects Program which helped me to further develop my business skills but also opened new doors for networking and expanding valuable relationships. In December 2019 I was lucky and honored to be elected as the first Secretary General for SAAG (SWUFE Alumni Association in Germany) and have since been coordinating with other Alumni colleagues to put together a plan and framework where all our members across Europe could network and develop new friendships.

My thoughts and future plans

I have a philosophy in life that we should be on a continuous learning journey both in regards to our personal development as well as our business career building. After this summer I plan to take on a new position here in London which will be related to strategic management but have agreed with my current company that I will stay their external consultant as part of the advisory board. In the following year, with the hopeful improvement of the covid and lockdown situation here in Europe, I want to organize again with my Alumni colleagues some in-person events where we can all see and meet each other. The rise of China will undeniably be the most important economic and socio-political event in this century and I believe we at SWUFE Alumni Association in Europe should take on as our mission to be the bridge of understanding, cooperation and friendship between the East and West.
