华侨人士、外国驻蓉领事机构总领事等列席和旁听省人代会

Overseas Chinese and Consuls General in Chengdu at First Session of 14th Sichuan Provincial People's Congress

1 月 11 日 January 11

“因为期待和兴奋，我提前了 40 多分钟到达会场。”中国侨联海外委员、希腊华侨华人总商会执行会长李昂说。1 月 11 日，省十四届人大一次会议在成都开幕。应大会邀请，部分华侨人士等列席会议，香港特别行政区政府驻成都经贸办事处负责人以及 10 个国家驻蓉领事机构总领事及领事官员旁听开幕会，李昂便是其中之一。

“四川的政府工作报告非常精彩！其中提到成都被誉为‘雪山下的公园城市’，生活在这里的我对此非常认同。”奥地利驻成都总领事雷君山在阅读政府工作报告后感慨地说，成都市相关部门为城市环境付出了大量努力，对绿地和公园的规划、建设和维护都做得很出色。“对于一个拥有两千万人口的城市来说，成都的环境可以说超出预期。”

“我认为川奥两地在旅游和人文领域有无限的合作潜力。我会把成都推荐给我家乡的朋友们，也期待四川的朋友们到奥地利旅游。在接下来的履职时间里，我将努力为川奥在各领域的交流合作取得丰硕成果贡献力量。”雷君山说。

在认真了解四川政府对 2023 年的工作安排后，波兰驻成都总领事莫戈莳同样表达了对川波合作前景的期待。“四川是名副其实的‘天府之国’，在中国西部经济增长中处于领先地位，是‘一带一路’倡议的重要节点，成都正加快建设国际门户枢纽，这些都为波兰企业提供了机遇。期待与四川一起努力，合作共赢。”

近年来，四川国际“朋友圈”不断壮大，获批在川设立领事机构达 23 个，国际友城和友好合作关系达 440 对。

李昂在希腊从事旅游行业多年，对政府工作报告中关于促进消费、文旅融合等内容特别关注。“希腊是全球最受欢迎的旅游目的地之一，四川也是旅游大省，两地在文旅方面有很多互鉴和合作的潜力。作为一名希腊侨领，我一定努力发挥桥梁和纽带作用，为增进希腊与四川旅游合作作出更多贡献。”

“中欧班列（成渝）五年平均开行数量占全国 33%，西部陆海新通道班列累计开行 1482 列……政府工作报告中的这两个数据让我眼前一亮。”四川省侨联海外委员、中南半岛川渝商会联席会主席张炜表示，随着成渝地区双城经济圈建设的推进，四川正从内陆腹地加快向开放高地转变，华侨也享受到其带来的红利。“前进的动力更足了。”张炜表示将同其他海外华侨一起继续投身成渝地区双城经济圈建设。

如何参与成渝地区双城经济圈建设也是英中企业家联合会联席主席杨腾波一直关注的问题。“科技创新的持续发展，离不开国际合作、人才交流。2016 年，我们将一个全球科创孵化平台由英国引入中国，至今已对接 7 万多个中国科创项目，深度扶持其中 126 个优质项目。下一步，我们希望通过这个平台，助力川渝地区科技创新高质量发展，为四川对外开放贡献华侨力量。”

"With expectation and excitement, I arrived at the venue at least 40 minutes earlier," said Li Ang, overseas member of the All-China Federation of Returned Overseas Chinese and executive president of the Chinese General Chamber of Commerce in Greece. On January 11, the First Session of the 14th Sichuan Provincial People's Congress opened in Chengdu. Some overseas Chinese were invited to attend the conference as non-voting delegates, and Li Ang was one of them. The head of the Hong Kong Economic and Trade Office in Chengdu of the Government of the Hong Kong Special Administrative Region and Consuls General and Officials of 10 countries' Consulates in Chengdu sat in on the opening meeting.

"The report on the work of the People's Government of Sichuan Province is amazing! It refers to Chengdu as 'a park city at the foot of snow-capped mountains'. Living here, I totally agree with that." Günther Lazelsberger, Consul General of the Republic of Austria in Chengdu, noted after reading the report that relevant departments in Chengdu contributed a lot to improving the urban environment and did a great job in the planning, construction, and maintenance of green spaces and parks. "It is safe to say that the environment in Chengdu, a city with a population of 20 million, beats expectations."

"I think Sichuan and Austria enjoy unlimited potential for cooperation in tourism and culture. I will recommend Chengdu to my friends in my hometown and look forward to seeing Sichuan people visit Austria. In the rest of my tenure, I will devote myself to obtaining more fruits in Sichuan-Austria exchanges and cooperation in various fields," said Günther Lazelsberger.

After carefully understanding the plans of the People's Government of Sichuan Province made for 2023, Grzegorz Piotr Morawski, Consul General of the Republic of Poland in Chengdu, also expressed his expectations for the prospects of Sichuan-Poland cooperation. "Sichuan deserves the name of 'Land of Abundance'. It leads the economic growth in western China and is a critical node of the Belt and Road Initiative. Besides, Chengdu is catalyzing the construction of an international hub city. All of these provide opportunities for Polish enterprises. We look forward to working together with Sichuan for win-win cooperation."

In recent years, Sichuan saw an increase in its international friends, with 23 Consulates approved to be established here and the number of international sister cities and friendly partnerships reaching 440.

Li Ang has been working on tourism in Greece for many years; therefore, he paid special attention to the promotion of consumption and the integration of culture and tourism in the report. "Greece is one of the most popular tourist destinations in the world, and Sichuan also has rich tourism resources. The two have much potential for mutual learning and cooperation in this regard. As an overseas Chinese leader in Greece, I will try my best to play a role as a bridge and link and make greater contributions to the tourism cooperation between Greece and Sichuan."

"The five-year average number of China Railway Express trains (Chengdu &Chongqing) in service accounted for 33% of the country's total, and a total of 1,482 trains run along the New International Land-Sea Trade Corridor. These two figures in the report impressed me." Zhang Wei, overseas member of the Sichuan Provincial Returned Overseas Chinese Federation and Chairman of the Joint Committee of Sichuan & Chongqing Chamber of Commerce in Indo-China Peninsula, said that with developments in the construction of Chengdu-Chongqing economic circle, Sichuan is transforming from a landlocked province to an exemplary city of opening-up at a faster pace, and overseas Chinese are also benefited from this change. "We are more willing to forge ahead." Zhang Wei said that he will continue to participate in the construction of the Chengdu-Chongqing economic circle together with other overseas Chinese.

Yang Tengbo, co-chairman of the UK-China Business Leaders Confederation, has always been concerned about how to participate in the construction of the Chengdu-Chongqing economic circle. "International cooperation and talent exchange are necessary to the sustainable development of scientific and technological innovation. In 2016, we introduced a global scientific and technological innovation incubation platform from the UK to China. So far, it has served more than 70,000 Chinese projects and deeply supported 126 of them. Next, we hope that through this platform, we can contribute to the high-quality development of scientific and technological innovation in Sichuan and Chongqing and the opening-up of Sichuan."

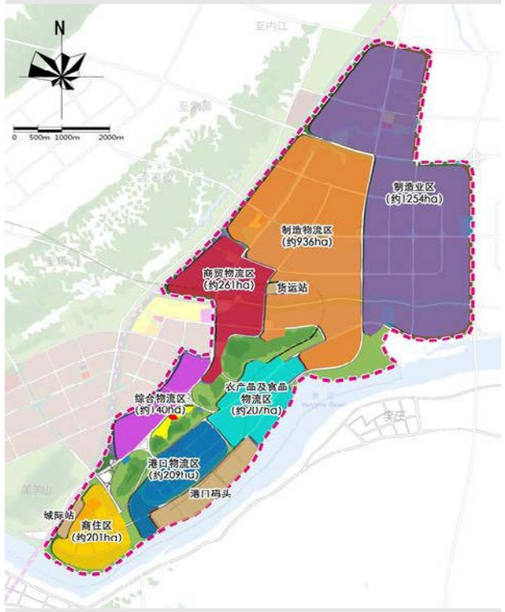
成都宜宾国际物流园在长江上游开工建设

Chengdu-Yibin International Logistics Park in the Upper Reaches of the Yangtze River Put into Construction

3 月 29 日 March 29

●长江上游成宜国际物流园是成都和宜宾两地共同打造的又一跨区域产业建圈强链合作示范项目

●项目将围绕宜宾动力电池、新材料、装备制造等新兴产业以及白酒、化工轻纺等传统产业，搭建供应链协同服务平台，促进产业链与供应链深度融合和联动发展



成都、宜宾携手打造川滇黔结合部的物流枢纽和南向物资集散地。3 月 27 日，长江上游成宜国际物流园项目在宜宾三江新区东部产业园开工。

长江上游成宜国际物流园项目由成都和宜宾两地国企共同出资成立的四川成宜物流园建设发展有限公司进行开发、建设、招商、运营，总投资 4.2 亿元，占地 206 亩，总建筑面积 7 万平方米，将新建 6 个物流仓库、2 个丙一类库、1 个冷库、办公及配套用房，配套建设停车位、园区道路、管网等配套设施。

该项目负责人，成都蓉欧供应链集团有限公司首席规划师、四川成宜物流园建设发展有限公司董事长张文新介绍，该项目将依托宜宾高能级产业基础，人才储备、水、电等要素保障以及港口、保税区、进港铁路等交通区位优势，链动成都汽车制造、智能制造等产业链，打通“蓉欧 + 宜宾”南向公铁水联运通道，打造川滇黔结合部的物流枢纽和南向物资集散地。

同时，该项目将围绕宜宾动力电池、新材料、装备制造等新兴产业以及白酒、化工轻纺等传统产业，搭建供应链协同服务平台，促进产业链与供应链深度融合和联动发展。“简单来说，该项目建成后将起到中转站的作用，在消费端实现分拨，在供应端及时为生产企业提供原材料，进一步提高生产效率，服务当地产业发展。”张文新说。

该项目计划今年内完成部分仓库及配套用房主体建设，并适时启动剩余仓库及配套办公楼建设。项目团队已开展预招商工作，同多个高能级企业进行了对接，并与区域内零售、物流企业就成品货物仓储、生鲜冷链等方面探寻合作机会，确保项目招引成效。

长江上游成宜国际物流园是继成宜装备制造产业园开建之后，成都和宜宾两地共同打造的又一跨区域产业建圈强链合作示范项目。

2022 年 6 月，成宜装备制造产业园项目开建，一期占地约 248 亩，总投资约 4.95 亿元，通过产业联动强链补链延链，建设成为全省装备南向出川的制造和组装基地。该项目一期预计今年 9 月完工交付。

近年来，成都市、宜宾市全方位、多领域不断深化跨区域合作，共同推动两地重大合作项目落地见效，共建跨区域合作先行示范市。目前，两地已实现基础设施互联互通，并在产业、金融和教育合作、招商引资、人才交流等方面取得累累硕果。

Chengdu and Yibin have worked together to build a logistics hub and a southward material distribution center in the Sichuan-Yunnan-Guizhou fringe zone. On March 27, the project of Chengdu-Yibin International Logistics Park in the upper reaches of the Yangtze River was put into construction in the Eastern Industrial Park of Yibin Sanjiang New Area.

The development, construction, investment attraction and operation of this project are undertaken by Sichuan Chengdu-Yibin Logistics Park Construction and Development Co., Ltd., which was jointly founded by state-owned enterprises in Chengdu and Yibin. With a total investment of 420 million yuan, the project covers an area of about 137,333 m2 and a total construction area of 70,000 m2. Besides six logistics warehouses, two Class C1 warehouses, one cold storage, offices and supporting buildings, such supporting facilities as parking spots, park roads and pipe networks will also be built.

According to the project leader Zhang Wenxin, who serves as Chief Planner of Chengdu-Europe Supply Chain Group Co., Ltd. and Chairman of Sichuan Chengdu-Yibin Logistics Park Construction and Development Co., Ltd., this project will rely on Yibin's high-level industrial foundation, talent reserve, water, electricity and other factors, as well as the transport and location advantages of the nearby ports, bonded areas and railways, and link the industrial chains of Chengdu's automobile manufacturing and intelligent manufacturing. It aims to open up a "Chengdu-Europe + Yibin" southward road-rail-water multimodal transport channel and build a logistics hub and a southward material distribution center in the Sichuan-Yunnan-Guizhou fringe zone.

In addition, the project is slated to build a supply chain collaborative service platform for such emerging industries as power batteries, new materials and equipment manufacturing in Yibin, as well as traditional industries such as Chinese Baijiu, chemicals and textile, and to promote the deep integration and interconnected development of industrial chains and supply chains. "To put it simply, the project will serve as a transfer station after completion. It will realize distribution to consumers and timely provision of raw materials for production enterprises, so as to further improve production efficiency and serve the development of local industries," said Zhang Wenxin.

According to the plan, the main body of some warehouses and supporting buildings will be completed within this year, and the remaining part will be constructed in due course. The project team has carried out advance investment promotion, interacted with a number of high-level enterprises, and sought cooperation opportunities with regional retail and logistics enterprises on finished goods storage and fresh cold chain to ensure the effectiveness of investment attraction.

Chengdu-Yibin International Logistics Park is another cross-regional demonstration project of industrial cooperation between Chengdu and Yibin in building ecosystems and reinforcing industrial chains after Chengdu-Yibin Equipment Manufacturing Industrial Park.

In June 2022, Chengdu-Yibin Equipment Manufacturing Industrial Park was put into construction. The first phase of the project covers an area of about 165,333 m2, with a total investment of about 495 million yuan. Through interconnected industrial development, this project aims to reinforce, upgrade and extend the industrial chains, and become a manufacturing and assembly base for Sichuan's equipment exported southward. The first phase of the project is expected to be completed and delivered in September 2023.

In recent years, Chengdu and Yibin have continuously deepened cross-regional cooperation in all aspects and multiple fields, jointly promoted the implementation of major cooperation projects, and built a pilot demonstration city for cross-regional cooperation together. At present, the two places have realized infrastructure connectivity and achieved fruitful results in industrial, financial and educational cooperation as well as investment promotion and talent exchanges.

为什么选择西南财经大学?

西南财经大学当时给我眼前一亮，“啊，这一定就是我想去的地方”的感觉。在高中快毕业时，当我正在为大学去哪里而感到万分焦虑的时候，当我在网站上每天都在看各种学校的网址的时候，我一个亲戚告诉我这个学校，因为她也在这个学校毕业，之后去剑桥进修。当时我在想这个学校一定是一个非常善于培养优秀人才的好学校。这位亲戚兼学姐很认真地告诉我这个学校是怎样的学校。她告诉我，虽然不是所有的课程都是轻松的，但是老师对待学生是非常认真的，如果有学业上的问题没有办法自己解决，老师会非常有耐心地讲解，也不用担心一遍没听明白老师会失去耐心。同学之间是需要自己去建立关系，所以需要自己去主动融入大家，这是需要自己去努力的。学校有很多的社团活动，这是大学期间的一个很特别的集体，他们因爱好或者共同的目标聚集在一起，所以他们也可以迅速地找到自己可以聊天的朋友。学校的风景很美，如果有了恋人在学校一起散步将是一件非常浪漫的事情。我听了“学姐”说了关于这个学校的一切，对西财有了进一步的了解以及更深的向往，所以心里就有了一个声音“啊，这一定就是我想去的地方”。不知道大家对缘分怎么想，我想冥冥之中我和西财一定有着很深的缘分，才能让我在众多学校里义无反顾地选择了西财，而西财也选择了我。

在西南财经大学的日子

在成都和在西财的生活是快乐与平和的。要去一个完全陌生的地方，说不紧张不害怕是不可能的，于是我心中抱着巨大的不安来到西财。当然，我们要相信我们的选择一定是适合自己的选择。当我来到学校的第一天，学姐来学校门口接到我，之后的一次班级会辅导员也告诉我，如果有任何困难都可以联系他。我想这是我战战兢兢进入学校之时得到最大的藉慰。之后的校园生活偶尔会略显孤独寂寞，但大部分时间是充实且快乐的，毕竟人生起起伏伏，不会有人一辈子无时无刻都快乐的。就像我刚才提到的，和人的相处是需要靠我们自己去建立的。我得到这个忠告后很认真地记在心里，不得不说，同学们都是热情且友善的，只要我们敢于接纳他们，他们就一定会欢迎我们。这和成都的人民非常相似，这是一个适合生活、适合交朋友的城市。美食应该不必再多赘述，无论从什么地方了解成都，美食一定是最受欢迎的，并且我相信在这美食的天堂你也一定也会找到你喜欢的美食。大家可以尝试坐在任意一处公园和任何人搭话，他们一定会和你聊天，甚至如果你有烦恼，他们会一起帮你出谋划策，像是担心自己的朋友一样担心你，给你一些建议。我喜欢成都的秋天，这里的秋天是百里飘香的桂花与金黄漫天的银杏叶，希望你们可以在这样的风景里享受自己的留学生活。

现在的生活

现在的我已经毕业快两年，在工作中总是感到一些遗憾，觉得还有什么事情没有做完。我想这心中的遗憾是我对学校生活的留恋和对学术的执着，我现在依然想要再一次进入学校的大门，这虽然不是一个轻松的决定，但想要继续深造是我现在的目标。也许在未来的一两年时光里，我们会在美丽的西财里重新结识，如果是在飘着桂花香的银杏树林中相遇，到时候请告诉我你为什么来这里。
